

This map illustrates a sailing route through the Stockholm archipelago. The route is marked by a series of blue dots connected by a solid blue line. Key locations along the route include Djurö, Långholm, Rönnskär, Skogsskär, and Revensgrundet. The map also shows numerous other islands and skerries, such as St. Görans, St. Görans, and St. Görans. Depth soundings are provided throughout the area, and various navigational markers are visible.
