22–23 AUGUST 2026
VIKINGARNAS SEGELSÄLLSKAP, STOCKHOLM
[VSS.NU/KAPPSEGLING](https://vss.nu/kappsegling)

Vikingarnas Segelsällskap is looking forward to organise the Nordic Championship 22–23 August 2026.

The venue for the event will be our main harbour at Hundudden in central Stockholm where we host annual one-design events and also have hosted Nordic Folkboat Swedish Championships (2001, 2011, and 2016) and the Nordic Folkboat Sessan Cup (1998 and 2004)

The yacht club was founded in 1899 and has around 600 members, active youth programmes, event organising and an island in the archipelago.

Our race organisation is built by Nordic Folkboat sailors and other members with experience of one-design racing and our somewhat tricky waters in central Stockholm.
