

CLARIFICATION NOTE

Nordic & Swedish Para Inclusive Sailing Championships 2026

We have a history of truly inclusive sailing here in the Nordic area as para sailing grew mainly in the 2.4-class - we believe the right equipment can be the levelling factor. That explains our approach to the fact that ALL sailors compete in the Inclusive class (we used to call it OPEN). But since we also have the opportunity to crown para champions we will (also build the IPC statistics).

During the regatta there will be three result lists:

Title	Who?
Nordic Inclusive Champion	ALL crews participating in the regatta (the overall winner). A non-Nordic team can win the regatta but not be named Nordic Champion.
Nordic Para Champion	ONLY Para -crews. A non-Nordic team can win the Para- Class but not be named Nordic Champion.
Swedish Para Champion	ONLY Swedish Para -crews will count.
